Lasey Bowen From Essex

Lasey Bowen from Essex is a very horny woman looking for some secret loving on the side. She has been married to her husband George for five years now and is already getting bored of the same sex routine.

"Being married to my husband George is becoming very same old, same old now and I need some spice back in the bedroom again. George is quite a bit older than me and I suppose he likes a routine, whereas I like adventure. I've brought up my issues with him before and he thinks it will pass. I'm not so sure as I'm absolutely gagging for a hot shag doggy style right now. I want to feel a young studs cock ride in and out of me hitting me in all the right places until I scream in ecstasy as I orgasm like never before. If you think you're up to the job of my secret horny lover, then please do get in touch."

DAMSELS IN DISTRESS

Halloween

THESE LADIES NEED RESCUING AND ROGERING...

KING DONG

King Kong's Fay Wray was the epitome of screaming submissiveness in the 30s, while ice-maiden Naomi Watts followed up with a feistier version in the 90s. The blonde bombshells were each carried by an infatuated big hairy monster (likely symbolising male desire) up the Empire State Building, again (phallic imagery watchers ahoy). We're pretty sure, once they were rescued her from the hairy ape, they gratefully chowed down on something meatier than bananas.

King Kong

HERO FODDER

Next up, Superman's girlfriend. While she chain smoked, was insanely annoying and worked all hours, we're sure we'd reverse the earth's orbit for a chance to bone Lois Lane. We don't care if it's Margot Kidder from the films or Teri Hatcher from TV's The New Adventures. Either way we so would – especially if they stop talking long enough to swallow our spunk.

And we can understand why skinny Indie chic Kisten Dunst constantly needs rescuing by Spiderman. The poor girl is continuously getting wet while wearing no bra. We're hoping Spidey carries some cold medicine!

A RUNNING HUMP

You can always rely on trashy horror films to get a fit girl all sweaty and panting with her boobies wobbling as they scream for their lives before the villain kills them. Bless all the Scream films for their excellent work in this field. Drew Barrymore's brief turn is particularly worth a butchers (pun unintended), as is the slaughter of the oh-so-innocent Rose McGowan. The best thing about these movies is that, once the airheads have bitten the dust, we get to fawn over the pouty, curvy Neve Campbell (and Courtney Cox if you prefer them skinny and older).

Scream

FAKE

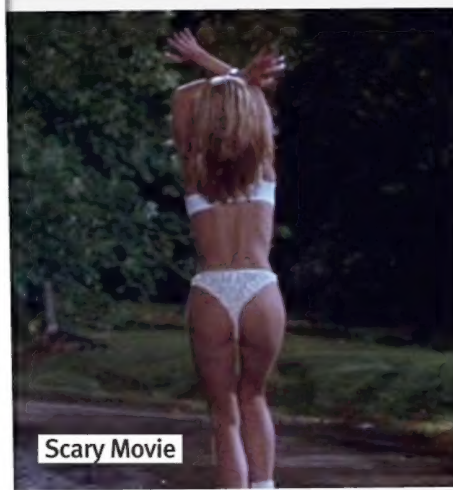

DIE HARD

Horror films are actually moral arbiters showing us that deviants should be punished. That's why, if you see a girl enjoying a good rutting in this genre, chances are she won't be around much longer. Take *My Bloody Valentine*: after Betsy Rue has made a sex tape with her boyfriend, a killer arrives and chases the naked slut around for a bit before ending her. According to *Hollywood Reporter*, this is "one of the longest and most unabashedly gratuitous full-frontal nude scenes in horror film history."

Then there's *Halloween*. Fresh from being fucked, Danielle Harris shows off her perky tits as she screams blue murder and desperately rifles through drawers looking for something to kill her assailant with. After a brief ruckus she is overpowered by the scary, scarred man.

SHAM 69

With so many of these films showcasing the running-scared whore, it was only a matter of time before a spoof took it a step further. Cue *Scary Movie* with Carmen Electra bouncing and screaming as she runs from the masked killer who pulls off her dress and chases her through sprinkler systems before stabbing her big, bountiful bosom. But this doesn't finish off our screaming slut. As she stumbles around in the road, a driver mows her down. "How could he not notice such an amazing display of flesh?" I hear you ask. Because his eyes are closed as he's getting a blow job from his wife. Now that's hard to swallow!

Scary Movie

Spiderman

MONSTER HARD ON

If you like watching monsters touching up screaming ladies then feast your eyes on *Slither*. We're just hoping that a monster pawing at Elizabeth Banks' huge breasts with his tentacles doesn't count as bestiality! When *Canada.com* asked the blonde hottie, "What is one thing you won't do for a role in a movie: a) Shave your hair, b) Do a lesbian sex scene in whipped cream, c) Be nude, d) Act dumb?" She replied "I would do all of those things! Never say never." Saucy bitch!

Also having a forceful, badly acted, supernatural rendez vous was Shannon Elizabeth (of *American Pie* fame) in 1996's *Jack Frost*. In this B list film, a snowman ravishes the former Playmate while she's naked in the bath. We're happy to confirm that no actresses were hurt in either of these movies!

SINS OF THE FLESH!!!

As Robbie Coltrane said in *Nuns on the Run*, "We have to go on sinning in order to be saved and go to Heaven. That's how Christianity works." Well, this Easter, we're helping you to be extra Christian – and get laid – by taking a nod from the seven dirty sins.

LUST

Even the most um-modelesque chap can get a lusty lady's juices flowing if they do the right groundwork. Take Max from *Eastenders*. He's ginger, pasty, not very funny, and rather smarmy. But he's perfected the sex text; is a master at that look that shows he's undressing you with his eyes and the teasing stolen kisses followed by the ambiguous promise of "you'll keep." Such behaviour saw Lacey Turner continuously drop her knickers and left Rita Simons begging for it. Genius!

SLOTH

The problem with modern-day living is that we're too damn busy in the day and tired in the evening to really enjoy a great rutting. So, why not set aside a whole weekend to indulge your sexy side whenever you want? Stark by stockpiling loads of booze, food, scented candles, sexy music, massage lotion, condoms and any other sex regalia you've always wanted to try. Then take the phone off the hook, put your "out of office" message on your computer, then shag, sleep, shag, eat, shag and be fucking merry. And, if you're on your own, then get in a load of porn and wank away. For inspiration, watch Helen Mirren, Malcolm McDowell and a load of porn stars banging decadently in *Caligula*.

WRATH

Have you ever had angry sex with someone? We don't mean where one is crying and the begging the other to stop – that is rape. No we mean when you both feel the adrenalin coursing through you: you're mad, you're hyper and you're very horny. It's not a stare of play that's very easy to reach, so we suggest some roleplay. Find something amusing to argue about, like the virtues of football over shopping. Then make like Kathleen Turner and Michael Douglas in *War of the Roses* and shout, scream and fuck the bejesus out of each other. Then have some make up sex.

GREED

As a wise man once said, "Flash the cash and you will get gash." Take Wall Street's Charlie Sheen. On the eve of landing a high flying job, the smug git gets blown in the back of a limo. Then later in the film the lucky git gets to then spray his load in Daryl Hannah. Replicate his hot-shot-ness by flying her to Italy in a private jet, enjoying a five-star meal and posh champers before showering her with jewellery. If you don't have two Faberge eggs to rub together, then ordering Cava, extra poppadoms with your curry and covering the bed with Monopoly money might just do the trick. For the ultimate money shot watch a very young John Philip Law hump a sensational sixties' siren get in a huge, revolving bed full of stolen banknotes in *Danger: Diabolik*.

GLUTTONY

Since the dawn of time, increasingly ardent couples have shovelled aphrodisiacs like oysters down each other's throats in the hope that they'll find each other sexy. But if you don't have those to hand, just feed your conquest whatever you have in the kitchen like fruit, jelly and Vicks cough medicine. The trick is to turn it into a sensual game and keep her guessing as to what's coming next like Mickey Rourke does to Kim Basinger in 9 ½ weeks. You can also use food as a sex aid when things turn a little more... fruity. Lick squirty cream off their privates, dildo each other with frozen carrots or roll around in melted chocolate. If this appeals then check out the soft porn stylings of sploshagirl.com or feast your eyes on Ewan McGregor as he fills up Emily Mortimer with his giant sausage while covered in Ketchup and custard in *Young Adam*.

ENVY

We tend to think other people's sex lives are better than our own. But that's because most other people lie about the sex they're getting. Why not jump on the band wagon and talk up your sex life? You'll feel more confident and the girls will be gagging for your sex god skills. To avoid making yourself look like a desperate tosser, remember to be laid back, none-smug and that, as they prove in *Reservoir Dogs*, when telling a falsehood, the devil is in the detail. Endless tails of women shagging you in six positions – including the bum – then letting you come in their face, may seem a little farfetched. For a more convincing story, check out some lady-penned erotica from www.cliterari.com. And watch how Jimi Mistry manages to bed both Heather Graham and Marisa Tomei by pretending he's a mystic love god *The Guru*.

PRIDE

We're not really sure why pride is a sin. Of course, if you're a narcissistic twat who would rather wank at a photo of yourself, you're not going to care about sticking it in anyone. But taking pride in your appearance is more likely to lead to a lay than if you're sporting a greasy mullet, prominent nasal hair, last night's nosh down your top and BO. To get Pussy Galore channel your James Bond by showering, shaving, donning a suit and quaffing a martini – shaken not stirred of course. You'll make a killing! But if you're left high and dry, you could always swallow your pride and pay for it!

Jocelyn Fletcher

From Grimsby

My friend has just come back from an 18-30s cruise around the Med and she can't stop talking about it, it's fair to say that I'm more than a bit jealous. It's basically a sex cruise where couples get to mix with other passengers and experiment; apparently anything goes. She told me that not a night went by without a different man fucking her in either her cabin or somewhere on the deck while people watched, she even fucked some guy in one of the pools while her boyfriend banged a blonde bimbo in the hot tub next to her. My husband and I have a really open relationship and we've had threesomes before, where we've been joined by men and women. We're not squeamish and my husband has got no problems with sharing me with other men, he's told me that the best sex we've ever had was when I was being double plugged by him and a man we met at a swingers party. I couldn't agree more, two cocks are always better than one. We've decided that we've not got much time left before we both turn 31 so we've started saving for the next sex cruise. I thought maybe there would be some horny men out there who might want to help us out by paying for the privilege of taking some raunchy photos of me. If I get horny enough once they've finished and I take a fancy to them I might even let them stay a while longer and let them get a bit closer to the action! I can't wait for a nice bit of sun, sea, copious amounts of booze and lots of hard cocks standing to attention!

Kelly Graham

From Hull

My husband's fantasy is to have a threesome with another woman, I've had two men before and having a cock in my pussy and arse at the same time was amazing. But I'd love to invite another girl into our bedtime fuck sessions. I think it would be so exciting to fight over my husband's cock with another woman, I would love to see her get a good hard banging from my husband Colin, whilst I suck on her tits and whisper into her ear, telling her what a dirty, filthy whore she is cumming on my Colin's cock. Her punishment would be to tongue my cum filled pussy clean like an ice cream.

Paula Newman

From Oxford

Paula is a very frustrated housewife from Oxford whose husband has lost complete interest in her sexually since the birth of their first child three years ago. She's hoping that these sexy photos will do something to ignite the passion they used to have.

"My husband and I have been married for a few years now and we were childhood sweethearts, so we've never been with anyone other than each other. I'm worried that he's lost all interest in me and that it won't be long before he gets bored and has an affair. Things used to be so good and we would have incredible sex most nights of the week. On our honeymoon he couldn't keep his hands off me, and some of the things he did to me in that hotel room he's not even attempted to try since our baby was born a few years ago. When I approach my husband about the lack of sex he tells me that he is too stressed out and hasn't been able to get a full erection in years. I don't believe him and I think that it's time that I showed him how hot I am and that most men out there would be more than happy to give this MILF a piece of their cock. The desire is still there and I'm entering that phase in my life where most women are at their horniest, it would be such a terrible waste if I don't make the most of it, surely I'm not over the hill. Hopefully my husband will take one look at these photos and see what sort of response I get from all of the men out there and he'll want to take me up to our bedroom and violate me like he always used to! But don't let that stop you boys from writing in, because I don't wish to wait forever, my pussy is melting in anticipation for cock cum to be sprayed inside me."

Hannah Riker

From Bolton

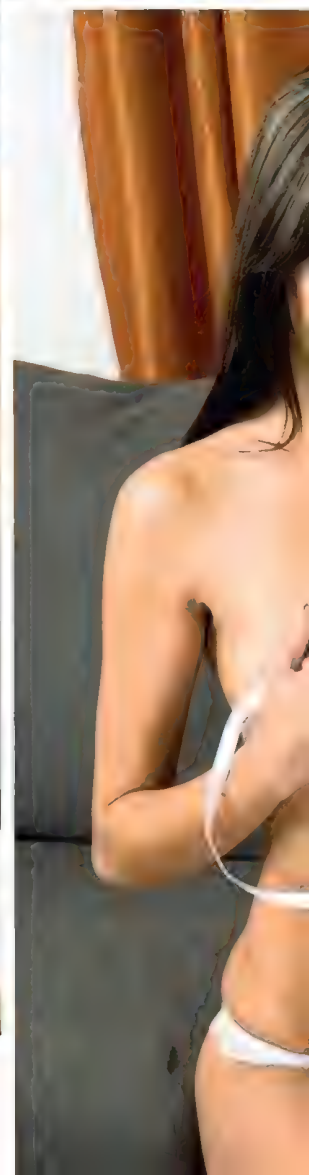

Hannah Riker from Bolton has decided to go back to college and then hopefully on to university to study business studies.

"I would love to own business have a my own chain of shops full of sexy lingerie that I have helped design; all with my name on them. I know that my husband was a little sceptical at first about my ideas, because he thinks I'm a dumb blonde. But I persuaded him to let me have my way, the only way this dumb blonde knows how. I put on my best, blackest knickers, bra and hold-ups on. And gave him the super sexiest strip tease and lap dance to his favourite rock tune. I ended the dance with my pussy lips swallowing his hard cock, with my cum running down his shaft."

Leanne Adams

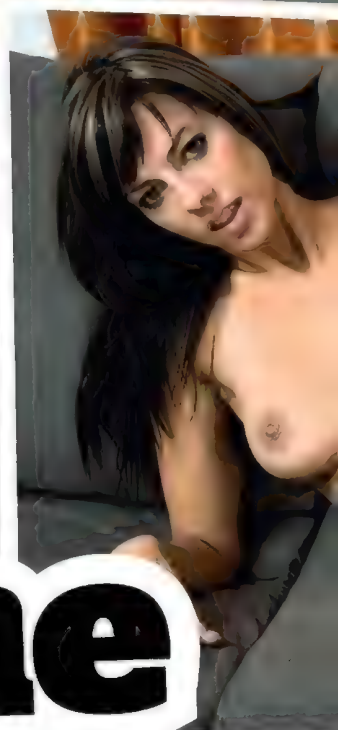

From London

Since being married I have become much hornier and have wanted to be more adventurous when it came to sex. When ever I look at my husband Luke I get so turned on that I can always feel my pussy juices beginning to flow into my knickers. At this point I always grab hold of my husband and whisper in his ear to fuck me hard now. This has happened at many places and the most recent was in the park when we were taking a stroll. I looked at Luke as he had his hand on my arse, then I mouthed the words 'fuck me' to him, so we ran over to the nearest deserted area, behind some trees, and madly and quickly ripped each others clothes off and where fucking faster than ever. I had my legs in the air, up near his ears as he thrustured his cock deep inside my dripping wet pussy. It was the most pleasurable experience to date.

Leanne

Cassandra Fox

From Wigan

Cassandra is a stay at home wife who spends her whole day looking after the house, something she's starting to get very bored of! She got in contact with us and explained how lonely she was and that she was hoping you guys could help to solve her problem.

"I agreed with my husband that I would stay at home to look after everything while he went out to work; besides, I'm not exactly the brightest tool in the box so I wouldn't be able to get a job anyway. At first I thought I had the better part of the deal, but now I'm regretting the decision because I'm just getting so bored and lonely. I'm desperately in need of some company because I'm rattling around in the big house with nothing but two dogs and a cat for company. There's only so much housework I can occupy my time with and what I really need is a reward half way through the day to keep me motivated. I'm thinking that a hot naked man in between my legs would be just the thing I need. It's not going to be a problem for me because my husband is always away on business and he leaves me with a list of where he's going to be and when he's going to be there. So basically I know when to invite men over and how long they can stay to fuck this lonely housewife you see before your eyes. I'm not going to feel guilty about this because when my husband is around he's either too tired or he can't be bothered to show me any kind of attention. I've become a very good cook in my time as his wife, and I'll happily cook you a nice bacon buttie, then let you eat out my dripping pussy for seconds!!!"

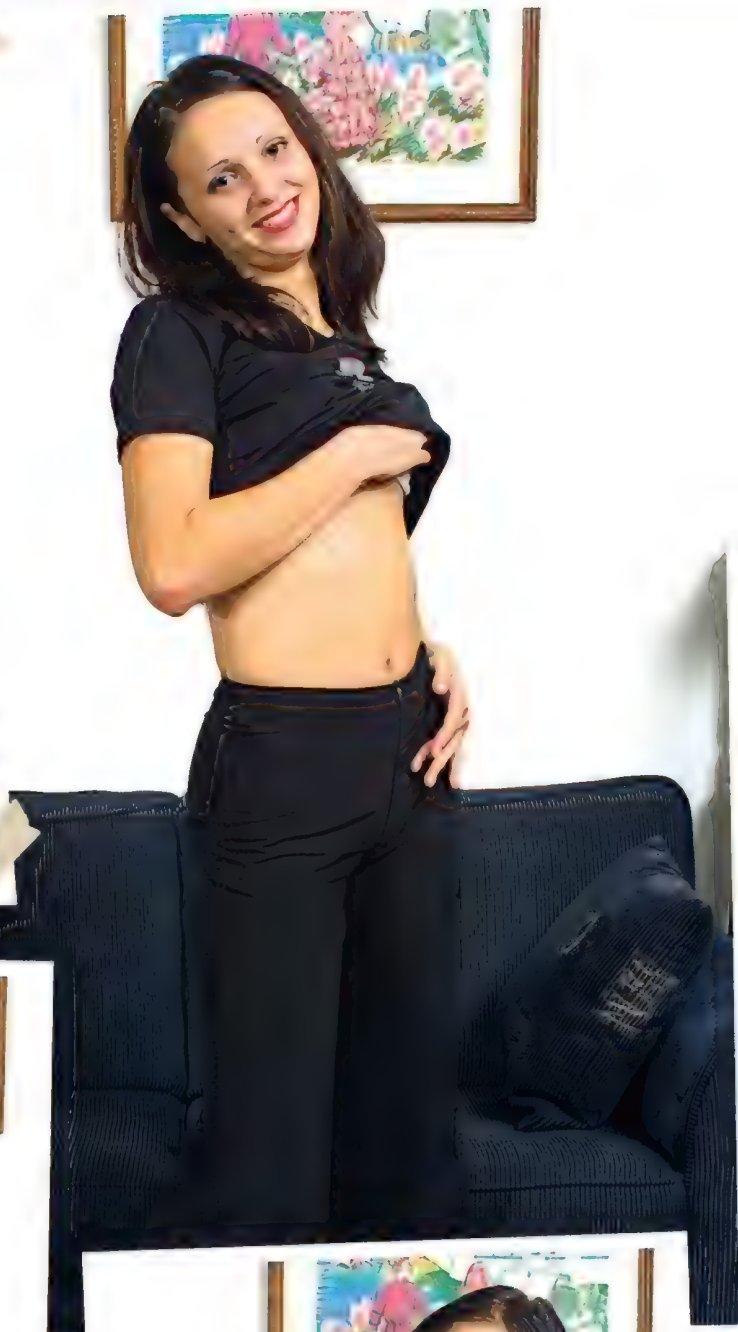

Cassandra

Karry Woods

From Cornwall

"I've always found it hard having just one bloke to fuck at any one time and I actually I met my husband whilst I was going out with another guy. Where we live in Cornwall, I've built up a bit of a reputation and if I'm on a night out there is bound to be someone I've cheated on lurking around the corner. I'm used to all of the death glares now so it doesn't phase me in the slightest, my husband actually finds it all quite amusing, even when I do get insults hurled at me from angry ex-lovers. I even get in trouble with my girly mates because I steal the best men and then cast them off like a piece of meat. I wouldn't have a problem with any of them going on to date men I've had a fling with, but apparently they're spoiled goods once I've been there, or more importantly once they've been inside me! I would stop behaving like this if I could but I just can't help myself if a good-looking fella catches my eye. My husband is great about my wandering eye; in fact he encourages me to seek out strangers to undress with my eyes, I think it's because he knows that I can't get cross with him if he does the same. It's only happened a few times but in the past my husband and I have actually ended up inviting a man into our bed for a threesome. He gets a massive hard-on watching me with another cock in my pussy and then he tries to fuck me in exactly the same way, but it always feels better when he's doing it. As of yet, we haven't had a threesome with another woman getting involved and I'm quite happy for it to stay like that because I'd get really jealous watching him fucking someone else. You could say that I'm a bit of a two-faced bitch for not wanting him to fuck someone else and you'd be right, that cock dangling between his legs is just for me!"

Karry

Elaine Curtail

From Newcastle

"My husband runs a small property building firm. I do the personal admin and recruiting. I like to put the new men through their paces, and if I think they can handle my tight pussy, then I will make sure that I get some ock in there as well. I think my husband knows that I do give the young guys my personal touch, but he doesn't mind, as it never fails to keep the guys from turning up and finishing the job. One time I double booked two interviews, so I ended up having to suck one guy off, whilst the other probed me with his manhood, grinding away until I had cumming running down both the inside of my legs."

HARMONY'S YOUNG HARLOTS - GANG BANG

Poor little Young Harlots. Having just completed Finishing School, you'd think they would be given a rest. But oh no, the Harlots are about to be given their toughest test yet. Two delightful Harlots, Amber Rayne and Andi Anderson get truly put through their paces in the Young Harlots Gang Bang.

Each girl gets her turn with 10 rather beefy young men and takes on all cummers to erm, completion. The girl starts off on her own, giving you her own seductive, uniformed show before them men slowly join her and giver her what she wants.

Judith Williams

From Wimbledon

"I was so excited when I got the call saying I was chosen to be photographed by the photographer and the £200 was an extra bonus. The shoot was amazing and the photographer was very complimentary about my body. I felt so confident that when I got home I dressed as a teacher and had a spanking session with my husband. This is something I would never have done before. I have realised the kinky sex kitten inside of me and I am going to try all kinds of new things in bed, my husband just can't wait."

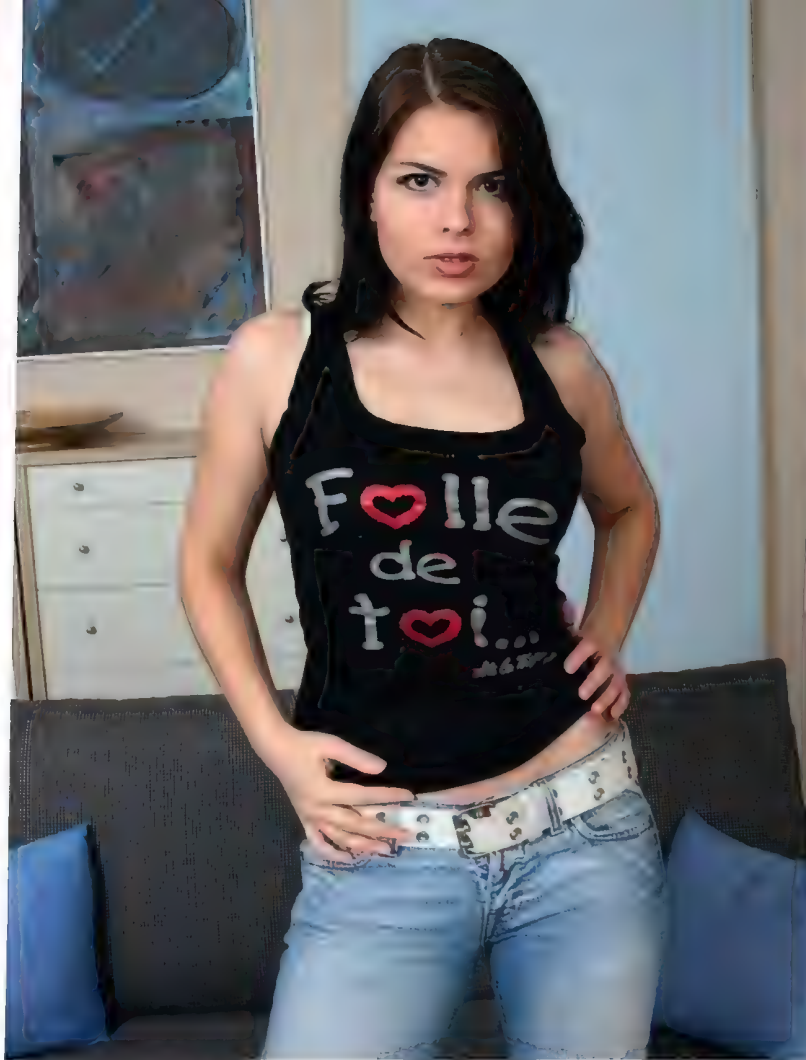

Judith

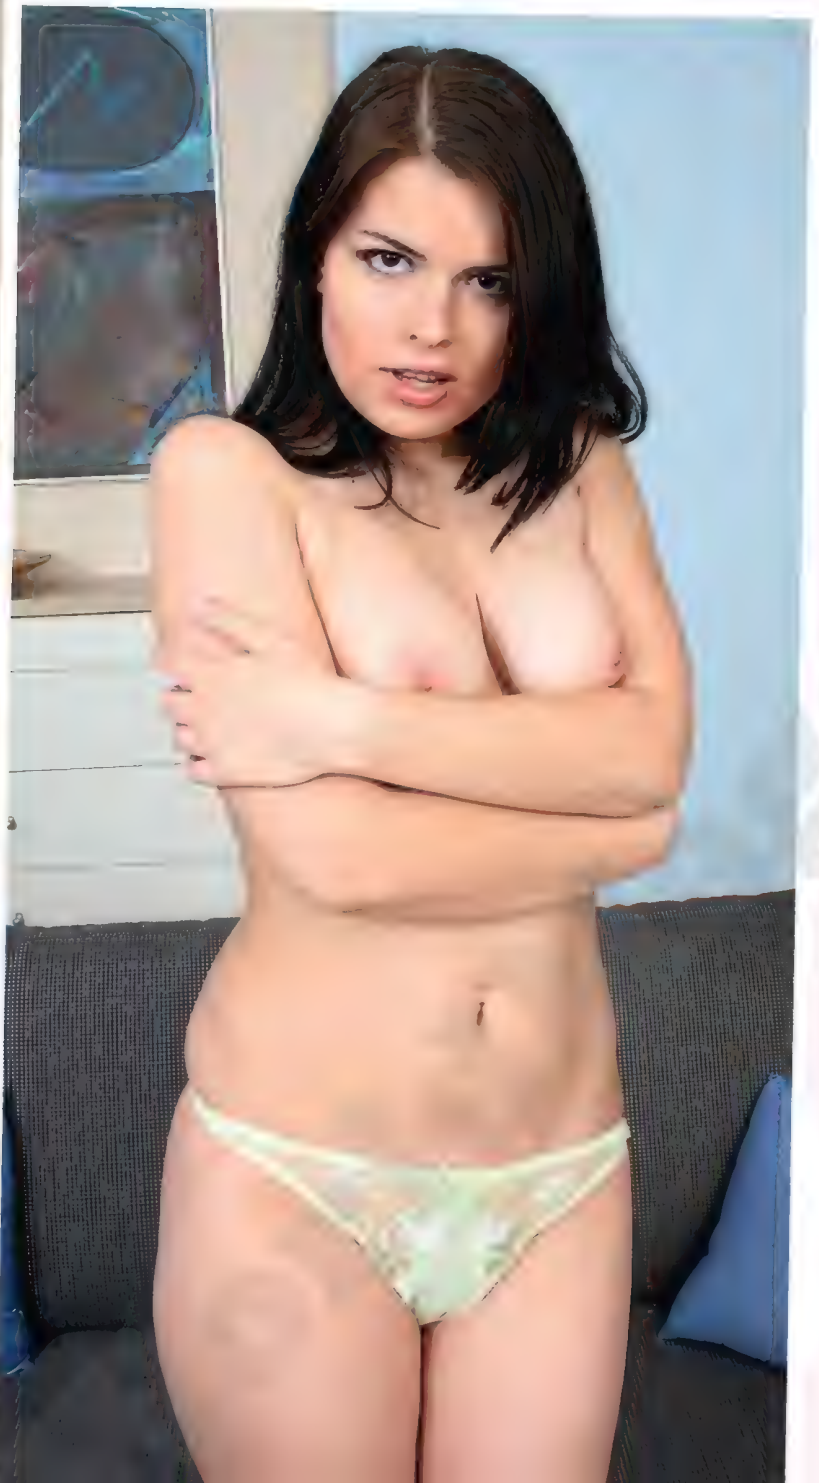

Lisa Perkins

From London

Lisa from London is a new model that has been coaxed into modelling by her husband. You can see why he got his camera out for this hot and perky-titted wife.

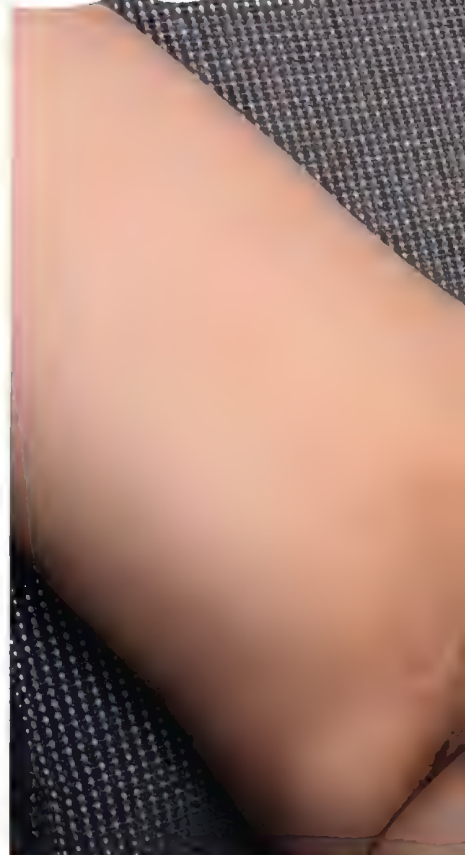

"I know my husband took photos of models before we married but I never felt jealous or the need to prove myself up against the lovely girls he took pictures of, but I never thought that I would be in front of Ray's own work camera; but he convinced me give it a try. I loved the results, I felt so sexy the first time I stripped, we both ended up fucking in no time at all, but I'm a bit more professional; I now wait until his job his done taking the photos, and then I get straight on to my job...or should I say blow job."

Lisa

Christine

From West Sussex

We would like to say a massive thank you to Michael for sending these pictures of his sexy wife Christine.

"Christine is such a horny wife and enjoys everything sexual. She's even said that she'd like to make a porn movie with me for my birthday. I can't wait; she turns me on so much that we shag every night. We go like rabbits until we can hardly breathe. She has an amazing body and a sweet tasting pussy. I feel so lucky to have Christine and I wanted to share her with you all. I hope you like what you see."

Christine

Heidi Harper From Stoke

Heidi and her husband, Mike, have been married for three years now and have never been happier! They are looking to spice up their sex lives a bit, which is why we've got these smoking hot pictures of Heidi!

"First thing's first, Heidi is great in the sack. I've never been with a woman so passionate, sexy and flexible before! She knows what she likes, so is quite demanding in the bedroom, but I love being dominated by her! She's so small, so it's surprising and such a turn on to see her that way! Recently, she's been demanding that we get another person into bed with us, to mix things up a little bit. It's so rare to find a woman that actually wants to have a threesome, so I've got to jump at this chance while she wants it! We would both ideally like another woman to join us, but I think she might quite like to be ploughed by two men at the same time! If you like the look of my sexy wife, get in touch!"

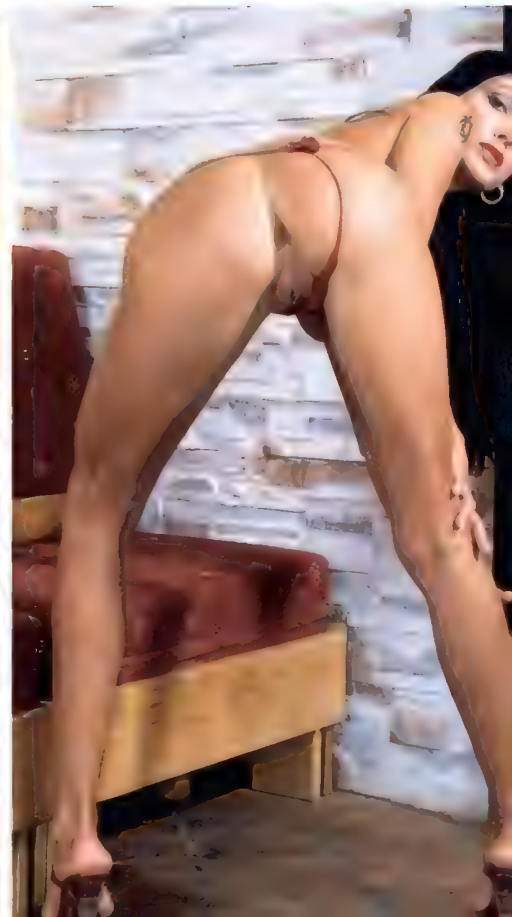

Heidi

Rachel Knight

From Glasgow

We would like to thank Peter Knight for these pictures of his sexy wife Rachel. "We would like to know if there are any men out there who would be willing to start in a DVD which we hope to send of to various porn companies to pursue Rachel's career. As we can't afford to pay the men, we would hope that they would volunteer to do it for free. Let me tell you, you would be getting an awesome sex session in return, as she's so good in the sack! I'm actually a little jealous it's not me that's taking part, but someone's got to do the filming and we can't afford to hire someone. Come and help my horny wife start her dream career!"

Nelly Clark

From Woking

Nelly Clark is a filthy swinging wife, who would suck the honey nectar off of any man's bulbous cock.

"I've always been into sex; I got a friend to set up a webcam on my laptop and became addicted to webcam sex. I would invite guys over to my flat and have sex with them, whilst people watched on my website. I've done girl on girl, two guys and girl guy, which is how I met my husband. When I saw him we really hit it off, but I didn't like the girl who was with him. So I knew I had to put on a good show, to turn his head. So I made sure that before the night was out I let him take me from behind and made him fuck me, whilst I was on all fours kneeling over his girlfriend, and making my moans as loud as possible. She hated it, but he came so hard and so quickly that it gave us both a surprise. After that sex session, she was history and he was my husband to be."

Silvia Barnes

From Birmingham

When we had a little chat with Silvia she couldn't wait to tell us all about a naughty experience she had with her husband while her parents-in-law were fast asleep and blissfully unaware of what was going on!

"The first time I had sex was really boring. I've had much more exciting times since, like the time I gave my husband a blowjob in front of his sleeping parents! It was a few months back and we'd been out for dinner at my husband's favourite restaurant to celebrate his birthday and we'd offered to take his parents along too. We spent the whole meal subtly flirting with one another and playing with each other under the tablecloth. On the way home my husband was driving and I was in the passenger seat, his parents were sat in the back. After half an hour into the drive back, I was feeling quite horny. I adjusted the rear view mirror to give me a clear view of the sleeping passengers in the back, whilst I began to massage and stroke my husband's crotch. I could tell he liked it, but he kept trying to whisper to me, telling me to stop. But the feeling I was giving him won him over; there wasn't any resistance anymore.

I continually flicked my eyes in the mirror to make sure the parents hadn't woken up. I unzipped his flies and pulled out his cock. He began breathing harder as I wrapped my hand around it and started stroking up and down slowly but firmly. The head was soon wet with his pre cum and I just had to give it a taste. I moved the rear view mirror back into my husband's direction so he could act as look out, while I stirred my head towards his succulent cock. My hubby was a little wriggler at first before I steadily built up a rhythm - bobbing my head up and down on his shaft. I then took a free hand and grabbed the bottom of his shaft and stroked it along side my own bobbing head movements and gently squeezed his balls. His body was now relaxed into my rhythm and his hand rested on top of my head urging my head and mouth down further and faster on his hard penis.

I was soon feeling twitches in his legs and knew that was a moment away from filling my dirty mouth with his cum. But my naughty husband kept his ejaculation at bay for another couple of seconds and then finally he exploded his thick white jet into the back of my mouth. I kept my head bobbing and sucking for as long as I could, but finally I gave in and picked my head up from his lap and put some air back into my lungs. I quickly zipped him back up and we drove home in silence with huge grins on our faces. By the time we had dropped off his parents I had gulped his cum down and re-applied my lipstick to perfection - they were none the wiser to our sexy secret."
